

# Song of the Ten Lepers

## Tune: Faith of Our Fathers

Patsy Stevens

Ten men with lep - ro - sy me - t the Lord.  
Joy - ful - ly te - n men ran down the road.

They stood a - far, called in a loud voice,  
Just one re - turned and cou - ld be heard,

"Please Je - sus Mas - ter have pi - ty on us."  
Fell at his fe - et and thank - ed Him there.

They were out - casts. They ha - d no choice.  
Then Je - sus asked these ver - y sad words,

"Go show your - selves un - to the priest."  
"Were not ten cleansed? Where are the nine?"

And as they went they all were cleansed.  
Rise for your faith has made you well."
